1. Preface

ACE Aviation Holdings Inc. ("ACE"), which was incorporated on June 29, 2004, is an investment company of aviation interests. As at June 30, 2012, ACE is listed on the Toronto Stock Exchange ("TSX") where its common shares are traded under the symbol ACE.

As at June 30, 2012, ACE's principal assets are cash and cash equivalents of approximately \$74 million and an 11.11% equity interest in Air Canada.

On April 25, 2012, at ACE's annual and special meeting, ACE's shareholders approved a special resolution providing for an amendment to the articles of ACE pursuant to which all Class A variable voting shares and Class B voting shares of ACE were converted into a new class of common shares of ACE on a one-for-one basis.

The shareholders of ACE also approved a special resolution providing for the voluntary liquidation of ACE pursuant to Section 211 of the Canada Business Corporations Act, through distribution of its remaining assets to shareholders, after providing for outstanding liabilities, contingencies and costs of the liquidation, the appointment of a liquidator at a time to be determined by the board of directors of ACE and the ultimate dissolution of ACE in the future, once all the liquidation steps have been completed.

On May 9, 2012, ACE announced that it had declared an initial distribution in the aggregate amount of \$275 million (or approximately \$8.46 per common share) to common shareholders of record as of June 1, 2012, which was paid as of June 8, 2012.

On June 28, 2012, the Superior Court of Québec (Commercial Division) (the "Court") issued an order appointing Ernst & Young Inc. as liquidator of ACE (the "Liquidator"). Effective June 28, 2012, all of the directors and officers of ACE have resigned from their positions and the Liquidator is vested with the powers of the directors of ACE.

Under the supervision of the Court, the Liquidator will establish a process for the identification, resolution and barring of claims and other contingent liabilities against ACE. The Liquidator will also proceed with the distribution of ACE's remaining net cash to its shareholders, after providing for outstanding liabilities, contingencies and costs of the liquidation.

On July 16, 2012, ACE announced that the TSX has advised ACE that it no longer meets the continued listing requirements of the TSX as a result of the previously announced appointment of the Liquidator of ACE and the resignation of all of the directors and officers of ACE. The TSX has advised ACE that if it did not voluntarily delist by September 14, 2012, the TSX would delist its common shares. As a result, ACE has applied to voluntarily delist its common shares from the TSX effective at the close of business on September 14, 2012.

ACE has confirmed with the NEX board of the TSX Venture Exchange that its common shares will be eligible for listing on NEX. ACE expects that the transfer of the listing of its common shares from the TSX to NEX will occur on September 17, 2012, the trading day immediately following the delisting from the TSX. The listing of the common shares of ACE on NEX is subject to final acceptance by NEX.

The final distribution to shareholders and the cancellation of the shares of ACE will not occur earlier than mid-year 2013 in order to allow that any remaining contingent liabilities be settled or otherwise provided for. The distributions will generally be treated as deemed dividends from a Canadian tax standpoint. The aforementioned deemed dividends will be designated as eligible dividends for the purposes of the Income Tax Act (Canada).

The Corporation prepares its financial statements in accordance with generally accepted accounting principles in Canada ("GAAP") as set out in the Handbook of the Canadian Institute of Chartered Accountants – Part 1. These financial statements have been prepared in accordance with IFRS as issued by the IASB applicable to the preparation of interim financial statements, including IAS 34 "Interim Financial Reporting".

The Corporation changed the basis of preparing its financial statements from going concern to liquidation effective January 1, 2011.

The consolidated financial statements do not include costs to liquidate the assets of the Corporation, settle any contingent liabilities or future administrative costs and professional fees to wind-up the activities of the Corporation. These costs may be material and the amounts disclosed as net assets in liquidation in total or on a per share basis will change. The actual amounts available for distribution to shareholders will change and such changes may be material.

This MD&A should be read in conjunction with ACE's interim unaudited condensed consolidated financial statements and notes for Quarter 2 2012, which can be found on SEDAR at www.sedar.com. Reference to the "Corporation" in this MD&A refers to ACE and its wholly owned subsidiaries. Except as otherwise noted, all monetary amounts are stated in Canadian dollars. Except as otherwise noted, this MD&A is current as of August 10, 2012.

Forward-looking statements are included in this MD&A. See "Caution Regarding Forward-Looking Information" in section 2 of this MD&A for a discussion of risks, uncertainties and assumptions relating to these statements. See section 9 "Risk Factors" of this MD&A.

The Liquidator has reviewed and approved this MD&A and the interim unaudited condensed consolidated financial statements and notes prior to their release. For further information on ACE's public disclosure file, including ACE's Annual Information Form, please consult SEDAR at www.sedar.com, or ACE's website at www.aceaviation.com.

2. Caution Regarding Forward-Looking Information

ACE's public communications may include written or oral forward-looking statements within the meaning of applicable securities laws. Such statements, including statements as to the liquidation and the timeline of distributions, are included in this MD&A and may be included in other filings with regulatory authorities and securities regulators. Forward-looking statements may relate to analyses and other information that are based on forecasts of future results and estimates of amounts not yet determinable. These statements may involve, but are not limited to, comments relating to strategies, expectations, planned operations or future actions. These forward-looking statements are identified by the use of terms and phrases such as "anticipate", "believe", "could", "estimate", "expect", "intend", "may", "plan", "predict", "project", "will", "would", and similar terms and phrases, including references to assumptions.

Forward-looking statements, by their nature, are based on assumptions and are subject to important risks and uncertainties. Any forecasts or forward-looking predictions or statements cannot be relied upon due to, amongst other things, changing external events and general uncertainties of the business. Actual results may differ materially from results indicated in forward-looking statements due to a number of factors, including without limitation, market, regulatory developments or proceedings, and actions by third parties as well as the factors identified throughout this MD&A and, in particular, those identified in section 14 "Risk Factors" of ACE's 2011 MD&A. See section 9 "Risk Factors" of this MD&A. No assurance can be given as to the timeline of the liquidation and distributions. The forward-looking statements contained in this MD&A represent ACE's expectations as of the date of this MD&A, and are subject to change after such date. However, ACE disclaims any intention or obligation to update or revise any forward-looking statements whether as a result of new information, future events or otherwise, except as required under applicable securities regulations.

3.1 Analysis of Net Assets in Liquidation

Cash and cash equivalents

Cash and cash equivalents amounted to \$74 million and \$356 million as at June 30, 2012 and December 31, 2011 respectively. The reduction of \$282 million from December 31, 2011 to June 30, 2012 was primarily due to the initial distribution to shareholders of \$275 million in Quarter 2 2012.

Investment in Air Canada

As at June 30, 2012, ACE had an 11.11% (31,000,000 shares) ownership interest in Air Canada.

The following table details the carrying value and fair value of ACE's investment in Air Canada shares until June 30, 2012:

Fair value of ACE's investment in Air Canada as at December 31, 2010 ⁽¹⁾	\$ 107
Unrealized loss on ACE's investment in Air Canada	(76)
Fair value of ACE's investment in Air Canada as at December 31, 2011 ⁽¹⁾	\$ 31
Unrealized loss on ACE's investment in Air Canada	(1)
Fair value of ACE's investment in Air Canada as at June 30, 2012 ⁽¹⁾	\$ 30

(1) The fair value of ACE's holdings of Air Canada shares of \$107 million as at December 31, 2010, \$31 million as at December 31, 2011 and \$30 million as at June 30, 2012 are based on the closing prices of \$3.45 per Air Canada share as at December 31, 2010, \$0.99 per Air Canada share as at December 30, 2011 and \$0.98 per Air Canada Class share as at June 29, 2012 as quoted on the TSX.

Air Canada warrants

Under an Air Canada credit facility, ACE received 1,250,000 warrants on July 30, 2009 for the purchase of Air Canada shares with an exercise price of \$1.51 per share, exercisable at any time, and expiring on July 30, 2013. On October 19, 2009, ACE received an additional 1,250,000 warrants for the purchase of Air Canada shares with an exercise price of \$1.44 per share, exercisable at any time, and expiring on October 19, 2013. The fair value of the 2,500,000 warrants amounted to a nominal amount as at June 30, 2012 and December 31, 2011 using the Black-Scholes option valuation model.

Income and other taxes payable

In March 2010, ACE applied for Certificates of Discharge from the Canada Revenue Agency ("CRA") and Revenu Québec.

ACE assisted the CRA and Revenu Québec with their audits of ACE's income tax returns for the years 2005 to 2010 and audits in respect of other taxes. The audits of income tax returns required a detailed review of all of the significant corporate transactions undertaken by ACE since its incorporation in 2004, together with a detailed review of all of its returns.

The audits of income taxes and other taxes are now complete and additional reassessments of \$4.1 million were paid in Quarter 1, 2012. \$3.9 million had been accrued in respect of these reassessments as at December 31, 2011.

On March 7, 2012, a tax clearance certificate was issued by the CRA in connection with all taxation years ended on or prior to December 31, 2010. On March 12, 2012, Revenu Québec issued an equivalent certificate authorizing the distribution of property up to \$500 million. ACE does not expect to incur income tax liabilities for the taxation years ended December 31, 2011 and beyond, or to incur any tax liabilities for other taxes over and above amounts incurred in the ordinary course of business.

In 2010 and 2011, ACE received and paid notices of reassessment from Revenu Québec in the amount of \$45.1 million. The reassessments primarily related to audits of GST and QST in respect of ACTS LP, and its predecessor ACTS Limited Partnership, for periods prior to ACE's monetization of ACTS LP in October 2007. \$41.9 million of such reassessments were recovered from Air Canada and other parties. The total recovery amount of \$41.9 million included \$40.2 million recovered from Air Canada and \$1.1 million from Aveos. ACE has agreed to indemnify and hold harmless Air Canada and Aveos from loss should related additional Input Tax Credit claims by Air Canada and Aveos be reassessed in the future.

In Quarter 2, 2011, ACE received and paid a notice of reassessment for other taxes from Revenu Québec in the amount of \$2.9 million.

Administrative and other expenses for the six months ended June 30 2012, June 30, 2011 and the year ended December 31, 2011 include net provisions for other taxes of nil, \$1.4 and \$3.2 million respectively. For the three months ended June 30, 2012 and June 30, 2011, the net additional provisions for other taxes were \$(0.2) and nil.

Advance Tax Ruling

In Quarter 1, 2012, ACE obtained an advance tax ruling from the CRA in order to confirm that neither the share conversion nor the other liquidation steps will result in the Common Shares of ACE being considered short-term preferred shares or taxable preferred shares for the purpose of the Income Tax Act (Canada) (the "Tax Act") and the regulations thereunder, such that no tax under Part VI.1 of the Tax Act will be payable by ACE in connection with the liquidation steps.

Contingencies

As part of the wind-up process, a claims process will be initiated pursuant to which any claims against the Corporation will be identified and resolved. While the Corporation believes that its financial statements reflect all liabilities that are probable, it is possible that, through this process, additional liabilities will be identified and accrued.

Refer to section 9 of this MD&A for a discussion of risk factors.

Future costs

Future costs will be incurred up to and during liquidation and have not been accrued. These costs include liquidator fees and other operating costs. In addition future interest income is expected to be earned on cash and cash equivalents.

3.2 Cash Flows in Liquidation

As discussed in Section 3.1, cash used of \$282 million and \$277 million in the six months and three months ended June 30, 2012, reflects mainly the initial distribution to shareholders of \$275 million in Quarter 2 2012. Cash used in the six months and three months ended June 30, 2011 was mainly the result of tax reassessments.

3.3 Share Information

At June 30, 2012, the issued and outstanding common shares of ACE, along with common shares potentially issuable, were as follows:

Number of shares (000)	June 30, 2012	December 31, 2011
Issued and outstanding common shares		
Common shares	32,475	-
Class A variable voting shares	-	23,871
Class B voting shares	-	8,604
Total issued and outstanding common shares	32,475	32,475
Common shares potentially issuable		
Stock options ⁽¹⁾	72	20
Total outstanding and potentially issuable common shares	32,547	32,495

⁽¹⁾ The Corporation's stock option plan is described in Note 6 to the 2011 audited consolidated financial statements. Effective June 8, 2012, the number of outstanding stock options and the exercise price thereof was adjusted in accordance with the terms of the stock option plan as a result of the initial distribution to shareholders of \$275 million in Quarter 2, 2012. At June 30, 2012, a total of 72,322 stock options with a weighted exercise price of \$4.69 were outstanding. All of the outstanding stock options of ACE will expire in accordance with their terms in February 2013.

On April 25, 2012, ACE's shareholders approved a special resolution providing for an amendment to the articles of ACE pursuant to which all Class A variable voting shares and Class B voting shares were converted, on a one-for-one basis, into a new class of common shares (the "Common Shares"), each entitled to one vote per share (the "Share Conversion").

The terms of the Common Shares pertaining to dividend entitlements and entitlement upon liquidation or dissolution are the same as the rights previously attached to Class A variable voting shares and Class B voting shares of ACE. The Common Shares carry one vote per share and are not subject to any ownership restriction.

The holders of the Common Shares are entitled to receive notice of, and to attend and vote at, all meetings of the shareholders of ACE and each Common Share confers the right to one vote in person or by proxy at all meetings of shareholders of ACE.

With respect to dividends, the holders of the Common Shares will, if declared at the discretion of the Liquidator, be entitled to receive, out of monies, assets or property of ACE properly applicable to the payment of dividends, any dividends declared and payable by ACE on the Common Shares.

Upon liquidation, dissolution or winding up of ACE or other distribution of ACE's assets among its shareholders for the purpose of winding up its affairs, the holders of the Common Shares are entitled to receive the remaining property of ACE and are entitled to share equally, share for share, in all distributions of such assets.

Since April 25, 2012 the authorized share capital of ACE no longer includes a class of preferred shares.

4. Accounting Policies

This MD&A should be read in conjunction with ACE's interim unaudited condensed consolidated financial statements and notes for Quarter 2 2012.

Effective January 1, 2011, the Corporation changed the basis of presenting its financial statements from going concern to liquidation (Refer to section 1 of this MD&A). The adoption of a liquidation basis of presentation did not result in a change to the Corporation's accounting policies that were applied on a going concern basis of presentation.

For additional information on ACE's significant accounting policies and methods used in preparation of ACE's 2011 audited consolidated financial statements and notes, please refer to Note 2 to ACE's 2011 audited consolidated financial statements.

The preparation of ACE's financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the consolidated financial statements. ACE evaluates these estimates and assumptions on a regular basis, based on historical experience and other relevant factors. Actual amounts could differ materially from those estimates and assumptions. Refer to section 8 of this MD&A for a discussion of ACE's critical accounting estimates.

The consolidated statement of changes in net assets in liquidation includes the results of operations and distributions to shareholders. The financial information for Q1, Q2 and Q3 2011 was changed to the liquidation basis of presentation from that disclosed in ACE's previously filed interim MD&As.

7. Off-Balance Sheet Arrangements**Guarantee of Air Canada obligation**

On May 7, 2009, ACE intervened into the employment agreement between Air Canada and Mr. Calin Rovinescu, Air Canada's President and Chief Executive Officer, to guarantee the payments required of Air Canada under the agreement. The guarantee automatically terminated on April 25, 2012, the date on which the shareholders of ACE approved the winding-up and liquidation of ACE.

Indemnification agreements

Refer to Section 3.1 of this MD&A for a description of indemnification agreements between ACE, Air Canada and Aveos related to certain commodity tax reassessments.

8. Critical Accounting Estimates

Critical accounting estimates are those that are most important to the portrayal of ACE's financial condition and results of operations. Information on ACE's critical accounting estimates is disclosed in section 13 of ACE's 2011 MD&A dated February 9, 2012.

9. Risk Factors

For a detailed description of the risk factors associated with the Corporation, refer to Section 14 "Risk Factors" of ACE's 2011 MD&A dated February 9, 2012. There have been no material changes to the Corporation's risk factors from what was disclosed at that time with the exception of the approval of the wind-up by ACE's shareholders, the appointment of the Liquidator and the resignation of all of the directors and officers.

10. Controls and Procedures**Changes in Internal Controls over Financial Reporting**

As set out in Section 1 of this MD&A, on June 28, 2012, the Superior Court of Québec (Commercial Division) (the "Court") issued an order appointing Ernst & Young Inc. as liquidator of ACE (the "Liquidator"). Effective June 28, 2012, all of the directors and officers of ACE have resigned from their positions and the Liquidator is vested with the powers of the directors of ACE.

As a result, the Liquidator is now exercising the functions that the Board of Directors, the Audit Committee and the officers of ACE were previously exercising with respect to internal controls over financial reporting. This change has not materially affected or is not reasonably likely to materially affect ACE's internal controls over financial reporting.
